Where: Fort St. John Literacy Society (Community Bridge Building)

Call or email to register: 250-785-211,
sthomas@fsjliteracy.ca

Lunch & refreshments are provided!

Welcoming New Team member

'Hi everyone, my name is Steffi Thomas and I am the new Program Coordinator for the Fort St. John Literacy Society. I have been in the northern region (Dawson Creek & Fort St. John) since last November. I am originally from Vancouver but was born and raised in South Africa till the age of 12. I have been working with the Literacy Society for the last couple weeks and have already had the opportunity to interact as well as develop relationships with the rest of the community. It has definitely been a great environment to work in alongside director Sonja and our English teacher Adam. I am definitely a people's person and am always open to help; I am looking forward to my time with the Literacy Society as well as developing some wonderful relationships with other likeminded individuals.'

ESL LINC class gets boost through training

Our Lead ESL Teacher Adam had the opportunity to complete Canadian Language Benchmark Boot camp and Portfolio Based Learning Assessment courses. Both are great teaching and assessment tools that enhance students' consistency in English. Following the PBLA approach the students are able to track their actual progress captured in their portfolios. The portfolios act as self assessment tools providing students journal of their learning.

Thanks Adam for improving the structure of the lessons through implementation of newly learnt skills!

March Events in Pictures

Settlement Fair for Newcomer Families at Northern Lights College that we organized alongside SWIS, Employment Connections, SUCCESS & NLC

Ours was a Face painting and coloring-in station at Early Years Health Round-up event at Totem Mall organized by Family Friendly Community. Many happy faces around!

Mehak and her hidden face painting talents are being fully utilized.
