Halloween Celebrations

With the Halloween festivities underway we have taken advantage of the opportunity to get spooky. Our students have been busy carving pumpkins and creating festive decorations for the Halloween potluck. It turned out to be a great success with lots of amazing dishes from all over the world as well as an awesome turnout of interesting costumes. Couple of games with prizes, some scary music and student dance performance thrown in, the fun was guaranteed. Thank you all who helped and participated!

Welcoming New Volunteer Tutors

On a more serious note, we have seen many new potential volunteers coming through our doors thanks to the forthcoming Tutor training workshop. It will take place on Nov 4-6 and it's currently fully booked.

We are very excited to get the new tutors certified and cannot wait to start working closely with them. Our doors are always open for the volunteers that are not certified yet but wishing to help individuals with low literacy or English as second language skills.

Are you interested in getting involved?
