

Amazing young talent in our community

Fort St. John Literacy Society had the opportunity to partner with Energetic Learning Centre students for one of their projects. 'LIFT OFF' turned out to be an inspiring and powerful night of art, music and poetry. More than 20 students and some adults performed in front of a sold out audience at the Whole Wheat & Honey Cafe. This is what Steffi, our Program Coordinator, who assisted with the event preparation, said about LIFT OFF : "It was a pleasure working with such young and ambitious individuals. A simple idea to showcase talent turned into an emotionally uplifting event. I was blown away with the amount of talent and support that was present that night. A huge thank you to our sponsors and Whole Wheat & Honey for allowing us to host it there."

SHARING THE spark!

Our Executive Director Sonja had the opportunity to attend the local Sparks Women's Leadership Conference. This is what she said about this experience:

'This conference was a great networking opportunity with incredibly inspirational speakers from around the globe. I've met some awesome women there! I thoroughly enjoyed this event and would recommend it to anyone looking to grow both personally and professionally. I would like to thank our Board of Directors who supported my participation.'

Coming Up: WORLD FAIR
